Log File-Team 4

Project Meeting Log

Meetings and Decisions

Meeting on Apr 1, 2024
- **Meeting Minutes:**
  - Reviewed and added error messages for empty UIs.
  - Discussed potential UI improvements for better user feedback.
  - Reviewed progress on the latest features.
- **Decisions Made:**
  - Agreed to finalize the error messages implementation for enhanced user experience.
- **Next Steps:**
  - Merge the error message changes into the main branch.
  - Begin planning for the next iteration's features and enhancements.

Meeting on Mar 31, 2024
- **Meeting Minutes:**
  - Introduced and discussed RecommendationServiceTest for testing recommendation features.
  - Analyzed the current state of recommendation functionalities.
- **Decisions Made:**
  - Agreed to add comprehensive test coverage for recommendation-related functionalities to improve reliability.
  - Decided to allocate additional resources to ensure thorough testing.
- **Next Steps:**
  - Each team member to contribute to writing test cases for recommendation services.
  - Conduct a review session to ensure all aspects of recommendation features are covered.

Meeting on Mar 30, 2024
- **Meeting Minutes:**
  - Discussed the implementation of View Friends' Recently Viewed feature.
  - Assigned tasks to team members for implementing and testing the feature.
  - Reviewed progress on database integration for the new feature.
- **Decisions Made:**
  - Agreed on the approach to displaying friends' recently viewed movies in a separate panel for better user engagement.
  - Decided to prioritize database optimization for efficient data retrieval.
- **Next Steps:**
  - Each team member to complete their assigned tasks by the next meeting.
  - Schedule a testing session to ensure seamless integration with existing functionalities.

Meeting on Mar 25, 2024

- **Meeting Minutes:**
  - Reviewed recent bug fixes and enhancements.
  - Discussed potential feature additions based on user feedback.
- **Decisions Made:**
  - Deferred new feature additions to the backlog for prioritization in future iterations.
  - Agreed to focus on stability and performance improvements for the current release.
- **Next Steps:**
  - Conduct thorough testing to identify and address any remaining issues before deployment.
  - Begin planning for the next iteration's features and enhancements.

Meeting on Mar 12, 2024
- **Meeting Minutes:**
  - Reviewed the project's progress and discussed any blockers.
  - Discussed upcoming deadlines and priorities.
  - Conducted a brainstorming session for future feature ideas.
- **Decisions Made:**
  - Agreed on focusing efforts on completing unit testing before the next milestone.
  - Deferred non-critical feature ideas to future iterations to maintain focus on current goals.
- **Next Steps:**
  - Team members to prioritize unit testing tasks and address any identified issues promptly.
  - Schedule regular check-ins to track progress and address any new challenges.
